TIPS FOR PUTTING YOUR BUDDY BAGS TOGETHER!

- Crease all the score lines on your interior liner Buddy Bag box insert before you attempt putting it together. We recommend using an item like a bone folder to make this process easier.
- Put the notches in at an angle, so they "snap in" easier.

3 STEP METHOD FOR LABELING YOUR BUDDY BAGS!

Step 1: Remove the Buddy Bag carefully from the package so you preserve the name on the label.

Step 2: Cut the name off the label - you can use either the large font on the front or the small font on the back.

Step 3: Put the cut piece into the bottom of the bag, BEFORE you put the interior liner box into the bag.
